Public Comments: Mr. Donohue thanks the township for the file cabinet for the Emergency Coordinator. He brings up the complaint of Ms. Jodi Hall regarding snow plowing and drainage at 155 Devil Den Road. Ms. Hall believes part of the problem was caused by the Sportsmen's parking lot being plowed across the road on to their property. Mr. Donohue states that the Sportsman's Club will no longer plow snow into that area. The Supervisors determine that Mr. Handick should inspect the area and figure out what is occurring and whose responsibility it is.

Mr. Grubbs states he would like to make a motion to assign the fund to pay for the storage container purchased to clean out the old township building.

Motion: Pay for the storage containers out of the Impact Fund 2019 Budget.
